

BACHEM
QUALITY
GRADE
COSMETICS

QUALITY YOU CAN TRUST

Higher standards in documentation and change control are regulatory requirements for cosmetic ingredients, nowadays. We established the Bachem Quality Grade (BQG), because it guarantees that we meet our partner's needs to comply with the current regulatory standards. BQG assures the batch-to-batch consistency of our products for your formulation.

TRACEABILITY

Bachem is the leading independent supplier of peptides as active pharmaceutical ingredients (APIs) for the human and veterinary pharmaceutical market.

This experience makes us the perfect partner for high quality raw materials with comprehensive change and deviation management, ideal for the highly regulated field of cosmetics.

«WE GUARANTEE A SUSTAINABLE SUPPLY OF RAW MATERIALS FOR COSMETIC FORMULATIONS»

Benefits of the Bachem Quality Grade

- Traceability throughout the complete supply chain
- Dedicated compliance team responsible for quality management and release
- Change control for manufacturing processes, analytical methods and for specifications
- Detailed deviation management
- Manufacturing according to established processes and using qualified analytical equipment
- TSE/BSE certificate
- Purely synthetic processes without usage of GMOs (genetically modified organisms)
- CMR (carcinogens, mutagens and reprotoxins) free synthesis possible

PARTNERSHIP

In order to provide the best service for your needs, the Bachem Quality Grade captures the requirements of your demand in a quality and supply agreement.

The following requirements can be provided to the needs of our partners

- Documentation can be delivered to your needs
- Materials used for manufacturing and their traceability
- Cleaning of production equipment according to defined procedures
- Selected other production parameters
- Packaging and storage

**«THE BEST QUALITY FOR
YOUR FORMULATION WITH THE
DOCUMENTATION TO PROVE IT»**

Bachem is the market leader in the production of synthetic peptides and has long standing partnerships with major firms in the pharmaceutical and cosmetic industry.

GLOBAL BUSINESS

Bachem facilities are located in Switzerland, the UK, and in the USA.

All cGMP manufacturing sites are inspected by the US-FDA and national authorities.
